Disclaimer: The Estimated Cost of Attendance sets a limit on the total amount of aid a student may receive for educational expenses. Students are expected to budget accordingly to stay within their Estimated Cost of Attendance. Educational expenses include direct costs that are charged by the institution and indirect costs an average student may pay out of pocket. Educational expenses do not include costs for: relocation, deposits, credit card debt, consumer debt, spousal expenses, vehicle purchase/rental or during periods of non-attendance.

In rare circumstances, a student may request an approval for a modest increase through the Office of Financial Aid, but not all requests will be approved. Generally, requests are related to child-care expenses, a one-time computer/educational device purchase, unexpected medical expenses, or major car repairs while a student. The Estimated Cost of Attendance is subject to change without notice.
